DECLARATION OF PRINCIPLES

BY THE

Supreme Council of Sovereign Grand Inspectors General
Ancient Accepted Scottish Rite of Freemasonry
For the Northern Masonic Jurisdiction of the
United States of America

This Supreme Council reaffirms its unswerving loyalty to the fundamental purpose of Freemasonry, which purpose from time immemorial has been to improve and strengthen the character of the individual man, and through the individual, the character of the community, thus undergirding the community with those spiritual values which give it strength and stability.

This Supreme Council believes that this purpose is to be attained by laying a broad basis of principle upon which men of every race, country, sect and opinion may unite.

Believing that good and true men can be trusted to act well and wisely, this Supreme Council considers it the duty of the Fraternity to impress upon its members the principles of personal righteousness and personal responsibility, to enlighten them as to those things which make for human welfare, and to inspire them with that feeling of charity, or well-wishing, toward all mankind which will move them to translate principle and conviction into action.

To that end Freemasonry teaches a belief in God and faith in His divine purposes. It encourages the worship of God in conformity with the dictates of individual conscience. It stands for truth and justice, liberty and enlightenment. fraternity and philanthropy.

This Supreme Council expects of its members strict obedience to the laws of the land, and respect for their country's flag.

Such principles unite men and encourage the pursuit by them individually and collectively of worthy endeavors and the attainment of the purposes inherent in them. In that unity human character achieves its highest unfolding and provides man's best hope for peace on earth and good will among men.

To the furtherance of these principles, all our ritual is directed and all our efforts are aimed. To their furtherance each Master Mason has pledged himself, and at the portal of the Scottish Rite has renewed that pledge.

This Supreme Council discountenances and rejects any attempt by any international groups or confederations of Scottish Rite Supreme Councils to legislate for individual Supreme Councils.

Recognizing that principles unite men, that programs sometimes divide them, and that the preservation of unity of purpose and devotion to principle is essential to Freemasonry, the Supreme Council affirms its continued adherence to that ancient and approved rule of Freemasonry which forbids the discussion within tiled doors of creeds, politics, or other topics apt to excite personal animosities.

This Supreme Council further affirms its conviction that it is not only contrary to the fundamental principles of Freemasonry, but exceedingly dangerous to its unity, strength, usefulness and welfare for Masonic Bodies in their official capacity to take formal action or attempt to exercise pressure or influence for or against any particular legislative project or proposal, or in any way to attempt to procure the election or appointment of Governmental officials, whether executive, legislative or judicial, or to influence them, whether or not members of the Fraternity, in the performance of their official duties.

ANCIENT ACCEPTED SCOTTISH RITE

The Supreme Council of Sovereign Grand Inspectors-General of the Thirty-third and last Degree of the Ancient Accepted Scottish Rite for the Northern Masonic Jurisdiction of the United States of America is the governing body of the Rite. It is founded upon and governed by the Regulations of 1762, the Constitution of 1786 as modified, and the unwritten principles and landmarks of Freemasonry.

The Supreme Council, by its Constitution, recognizes the exclusive jurisdiction of the Symbolic Grand Lodge of each State over the three Symbolic degrees.

The Supreme Council of the Thirty-third Degree consists of not exceeding sixty-six active members; also, of Emeritus, Past, Active, and Honorary Members. Each State in the jurisdiction is entitled to at least one Active Member. The authority of the Supreme Council for the Northern Masonic Jurisdiction extends over the States of Maine, New Hamoshire, Vermont, Massachusetts, Rhode Island, Connecticut, New York, New Jersey, Pennsylvania, Delaware, Ohio, Indiana, Illinois, Michigan and Wisconsin.

The Bodies working under the jurisdiction of the Supreme Council are styled Lodges of Perfection, Councils of Princes of Jerusalem, Chapters of Rose Croix de H.·.R.·.D.·.M. and Consistories of S.·.P.·.R.·.W.

A deputy of the Supreme Council for each State, who must be a Sovereign Grand Inspector-General of the Thirty-third Degree, represents the Supreme Council in his district, and performs the duties, supervision and inspection assigned to him by the Supreme Council or by the Sovereign Grand Commander.

A Council of Deliberation in each state possesses the legislative and judicial powers not reserved to the Supreme Council and not inconsistent with the Constitution and Regulations. It is composed of the active and honorary members of the Supreme Council resident in the State, the Past Commanders-in-Chief of Consistories, the Past presiding officers of each Co-ordinate Body, the first three officers of Consistories and Chapters of Rose Croix, and the first four officers of Councils of Princes of Jerusalem and Lodges of Perfection. The deputy of the district is ex-officio Commander-in-Chief. In Pennsylvania, the Council of Deliberation meets annually.

Sublime Princes of the Royal Secret of the Thirty-second Degree, not less than thirty-three years of age, at an annual session of the Supreme Council, may be elected Sovereign Grand Inspectors-General of the Thirty-third and Last Degree, Honorary Members of the Supreme Council, by a unanimous vote taken by secret ballot. Honorary members have the right to be present at all sessions of the Supreme Council, except executive sessions, and to a voice therein, but no vote.

Sovereign Grand Inspectors-General of the Thirty-third and last degree may be elected Active members of the Supreme Council ad vitam, at the annual meetings thereof.

Any Active Member who shall resign, or move into a State other than the one to which he was accredited, shall become a Past Active Member, with the right to be present at all sessions of the Supreme Council and to a voice therein, but no vote.

Any Past Active Member may be elected an Emeritus Member in the same manner in which Active Members are elected, and be entitled to sit in the Supreme Council at all times, and to a voice and a vote on all questions except those of Active Membership.
